

"Awesome practice;
I have had great experiences here,
very professional, caring and up
front with care along with
expectations of a procedure. "

- BENJAMIN B.

Our mission...

*To provide a quality membership plan to
offer you the best dental care and service
we have to supply!*

Make Your Smile Everything You've Ever Wanted and More!

Dental Healthcare Advantage...

This plan is made with your best interest in mind! It includes 100% of your preventative care-cleanings, x-rays, and check-up exams~ with the benefit of no out of pocket cost! Making it affordable and easy for you to keep up with your routine appointments, and to obtain the optimal dental health. With just the simplicity of easy monthly payments!

This membership is a noninvasive agreement between you and our participating office. There is no worry of a third party member, no claims to fill out, and also no worries about whether your claim will be accepted or not! We can put all of your unknowns of dental insurance to rest with this membership!

The benefits of this membership are countless! It will without a doubt save you money, and you will also be fully informed of your bottom line cost before you start any type of treatment. Even if all you'll ever need is your regular cleanings, exams, and x-rays.

Below is the amount you save on ALL procedure fees (10-25% !) Including:

- ❖ Whitening or Electric Brush **Free**
